Three weeks ago two partners, Joseph Keenell and Harry Greenblatt, of New York city, purchased the Frank Sears property, two houses and a meat market, at South Coventry. Last Saturday the men had trouble and Keenell had Greenblatt arrested on charges of assault and breach of the peace. Greenblatt, according to South Coventry people, had told stories to the effect that Keenell was making moonshine and bootlegging. Evidently the reports had some effect, for Monday morning Deputy Sheriff A. E. Harmon and Federal Prohibition Officer Simon L. Briggs raided the store and building occupied by the men, which is just across the street from the Methodist church. Something over a gallon of moonshine was found in a number of bottles, besides a quantity of mash. The search failed to reveal a still, however.

Monday afternoon both men were taken before Judge William B. Pease at the court house. Greenblatt was charged with assault and breach of the peace and Keenell with having in his possession illicit moonshine. Both pleaded the day was not guilty. Greenblatt was let off with a fine of \$2 and costs, amounting to \$3.92. Keenell was fined \$10 and costs amounting to \$13.72, which was paid.

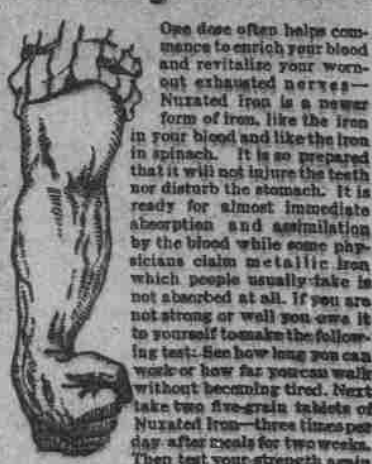

Funeral services for John R. Hillhouse were held Wednesday afternoon at 2 o'clock at his home on Windham road. Rev. John Pearce officiated. Burial was in Windham cemetery. The bearers were James and Kenneth Hillhouse, George Whitford and Frank Anthony. Jay M. Shepard was in charge of the funeral arrangements.

William Maxwell of Union street, Rockville, entertained a large number of New York friends at his home Tuesday, in celebration of the Fourth of July. The party arrived early in the day by automobile. The star entertainers of the day were the Mathew twins, Claire and Robert, daughters of Mr. and Mrs. Henry J. Mathew, of this city. The twins entertained with aquatic stunts in the large swimming pool located on the lawn. They also entertained with Indian clubs, fancy dancing, duet recitations, and with saxophone and violin. A dinner of fireworks closed the day's celebration.

Earl Davis, of Hartford, was brought to St. Joseph's hospital in this city at 10 o'clock Tuesday for treatment for a broken right leg. Davis was standing in the road waiting to have the gasoline tank of his automobile filled, at a service station in Bolton, when Thomas Sharkey of No. 31 South View avenue, Waterbury, came along in another automobile. Davis unconsciously stepped back in front of the Waterbury car, and was struck and knocked down by the faster moving car. He was attended by Dr. Owen O'Neill. The matter was reported to the local police, and Davis told the police that he was at fault for the accident.

Charles H. Snow of this city has brought suit, through his attorney, Samuel H. Harvey, against John L. Sanderson, of Westerly, Mass., to recover damages of \$75. The case is to be heard before Justice of the Peace Curtis Dean.

## There is Strength in Every Tablet

One does often help comes to enrich your blood and vitalize your worn-out exhausted nerves. Nourished iron is a new form of iron, like the iron in your blood and like the iron in spinach. It is so prepared that it will not irritate the teeth or hurt the stomach. It is ready for almost immediate absorption and assimilation by the blood while some physicians claim metallic iron which people usually take is not absorbed at all. If you are not strong or well you owe it to yourself to take the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nourished Iron—three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Nourished Iron is sold under an absolute guarantee. If you do not obtain perfectly satisfactory results, for sale in this city by

July 22. The cause of the damage suit dated back to July 2 when a collision occurred between cars owned by the defendant and plaintiff, on the bridge over Willimantic river, at the Windham-Columbia town line. The plaintiff alleges that the defendant was at fault because he was not on the right side of the road. Deputy Sheriff Addison J. Greenblatt served an attachment to the amount of \$200 on the defendant's automobile which is in a local garage for repairs.

Wednesday morning two boys under 14 were in police court to answer to the charge of breaking and entering. They were not put to plea on account of their ages such cases have to be tried before a juvenile court. The case was continued to the next week. The complainant in the case, Napoleon Bacon, who conducts a grocery store states that on the four Sundays of June his store was entered and money taken from clerks' change bags and the cash register for a total of \$48.50.

Walter R. King, reported to the police Tuesday night at 9 o'clock that in passing by Walnut street on Main street, public service car sidestepped his automobile. Later the police were notified that the car that struck Mr. King's was owned by Albert Coult. The latter agreed to settle for the damage to Mr. King's car which consisted of a damaged fender.

Mr. and Mrs. A. J. Harper entertained relatives and friends Tuesday at the home of H. G. Bentley in Eagleville. A clam bake was held in the afternoon and there was music and fireworks in the evening. Those present were Mr. and Mrs. H. G. Bentley, Mr. and Mrs. J. Adams, Mr. and Mrs. Henry Richardson, Mr. and Mrs. George Richardson, Mr. and Mrs. Alfred Brown and daughter Leona, Mr. and Mrs. Edward LaBonte and daughter Elsie, Mr. and Mrs. Adolph Hammer, Mrs. Lydia E. Harris, Mr. and Mrs. J. R. Carpenter and daughter Leona, Charles Lee, all of Willimantic, and Misses Blanche Lee and Bessie Webb of Passaic, N. J.

Considerable controversy has arisen among local people by virtue of recent issues of Boston, New York and Hartford newspapers in regard to the Willimantic Young Men's Christian Association of its right to vote in the 1923 general convention. If the local "Y" eliminates from its constitution the "ecclesiastical clause" providing that membership shall be limited to the thirty-one churches recognized by the Federated Council of Churches an evangelist.

The situation in regard to the local Y. M. C. A. is this: At a meeting of the board of directors held before the financial campaign was commenced, the directors recommended to the annual meeting that the association lease its \$50,000 building and equipment, for a term, subject to be agreed upon, and free of rent except replacement repairs and necessary maintenance, to a non-sectarian organization "fully representative of the community interests of Willimantic" to be formed for work "with and for the young people and general welfare and betterment." Secretary Custard began on Tuesday evening that he was planning to have the annual meeting some time next week.

George Biesman, who was operated on in Hartford hospital Monday, is improving steadily. Mr. and Mrs. Carleton P. King of South Coventry spent the week-end and holiday at their cottage at Pleasant View. Mr. and Mrs. Harold Mason returned Tuesday after spending a few days at their cottage at Matunuck Beach, Point Judith, R. I.

Mr. and Mrs. Edwin L. Brown of Hartford and Mr. and Mrs. Merton O. Andrews and daughter of East Hartford spent the holiday with relatives at The Ridge. Mr. and Mrs. Charles E. Smith of Back Road, Windham, entertained Mr. and Mrs. George Bass of South Windham, Mr. and Mrs. Edward J. Bass and Mr. and Mrs. P. Mathewson of Willimantic July 4. A clam bake was enjoyed.

Mr. and Mrs. Ashley D. Barrows of Waterbury motored to this city to be guests of Mr. and Mrs. Walter B. Knight for over the holiday.

Mr. and Mrs. E. C. Sharps are entertaining Mr. and Mrs. E. C. Tomlinson of Seymour. Tuesday the party motored to Watch Hill for the day.

Mr. and Mrs. Walter Weiser and little son Mitchell with Gustave Weiser motored from Brooklyn Saturday and returned Tuesday. They were guests of Mr. and Mrs. Morris Robbin, parents of Mrs. Weiser.

Mr. and Mrs. Robert H. Fenton and daughter Jessica motored to Pleasant View for the day.

Miss Annie Brown of Middletown was the guest of Mr. and Mrs. Myron R. Abell a few days the past week.

Miss Nellie Hunt and William Van Ede of Columbia, were visitors at the home of Mr. and Mrs. William E. Strong's Tuesday.

Miss Deborah and Carmel Shea of Hartford were at their home over the Fourth.

Miss Mary White of New Haven was the guest of her brother, Leo White for a few days the past week.

Boys really should be clubbed for their neglect of the kind of girls they want their sisters to be.
